

Oh Infinite Lord Of Stillness,
May We Approach Thee At The Altar Of Stillness.
May We Who Gather Here At This Most Holy Altar,
Lay Flowers Of Silence At Thy Holy Lotus Feet.

Oh Lord Of Stillness,
Teach Us To Meditate With Fervent, Silent Devotion.

Oh Lord Of Stillness,
Teach Us To Commune With Thee; Teach Us To Contact Thee.

Oh Infinite Lord Of Stillness,
Teach Us How To Gently Decree Thy Holy Presence.

Teach Us To Gently And Humbly Request Thy Presence.

May all that you need flow into your life with ease and harmony.

May you be blessed. May you be blessed.

May you be triply blessed.

Om shanti, shanti, shanti.

Take From Us The Veil Of Ignorance
That We Might Not Drown,
But Remain Awake In Thee And Thy Service.

Fill Each Cell Of Our Being With Thy Luminous Light.
Fill Each Petal Of Our Mind With Thy Luminous Love.
Fill Our Lives With Thy Luminous Wisdom.

Oh Lord Of Stillness,
Strengthen Us That We Might See The Highway To Heaven
And Thus Find Thee.

Goswami Kriyananda

May all that you need flow into your life with ease and harmony.

May you be blessed. May you be blessed.

May you be triply blessed.

Om shanti, shanti, shanti.
