### *Gift of the Stars*

Okagesamade  
Grateful to the stars at play  
Rhythm of the dancing spheres  
Joyful gift to them that hear

Lord we thank you for this boon  
The planets and the sun and moon  
Fire, water, earth and air  
Elements to be aware

Rajas, tamas, sattvic be  
Ever three modalities  
Cycles of the wheels that spin  
Forming aspects causing din

Causal seeds of lives past spent  
Bearing fruit of growth now meant  
Thru space and time we humbly bow  
To serve thee in the present now

All is Brahman, All is AUM  
Seek Atman our forever home
