

A Baha'i Prayer of Compassion

O Thou the Compassionate God!
Bestow upon me a heart, which like unto a glass,
may be illumined with the light of Thy love,
and confer upon me a thought
which may change this world
into a rose-garden through thy spiritual bounty.
Thou art the Compassionate, the Merciful!
Thou art the Great beneficent God!

May all that you need flow into your life with ease and harmony.
May you be blessed. May you be blessed.
May you be triply blessed.
Om shanti, shanti, shanti.
